

POLICY ON AWARD OF SCHOLARSHIPS AND FREESHIPS

The Kokrajhar Govt. College maintains a policy that no student who is admitted discontinues his/her study due to financial difficulties. To provide scholarships and freeships to students, the following actions are taken:

- Fee waiver is availed to the financially disadvantaged students as per Assam Govt. schemes
 - Scholarships are provided to the academically meritorious students.
 - Scholarships/Freeships are provided to the students who excel in Sports and extracurricular activities at university/state/national/international level.
 - The college collaborates with alumni and non-government agencies to generate scholarships, freeships, etc.
 - Information mechanism established for students on governmental/nongovernmental scholarships.
 - Special Scholarship Scheme for international students.
1. The college is providing fee waiver for financially disadvantaged students from BPL category of all courses as per Assam Govt. schemes. The students are availed the facility once they produce evidence of belonging to the category. SOP of Assam government is followed while screening the beneficiaries.
 - To avail this facility, the students have to mention their category during the time of applying for admission.
 - The Admission Committee, based on the applicant's economic background scrutinize the application selects eligible candidates.
 - The list of the selected eligible candidates is sent to the Principal by the Admission Committee.
 - Upon approved by the principal, candidates are allowed to take free admission.
 2. The college also runs Merit Scholarship for the academically outstanding students. Students who meet the defined criteria of academic merit are awarded this scholarship. PNB Trust established in the memory of former principal award this merit scholarship to the selected best students.
 3. The college has been mobilising for scholarship funds from its eminent alumni, retired faculty, relatives of our expired faculty and benefactors. A single or repeated donation towards scholarships in order to manage a specified number of scholarships for a specified amount of time, has been attempted. As result PNB Trust could be established.

4. The college website notifies the students on upcoming scholarships and the Scholarship Cell supports the students in availing the specific scholarships earmarked for specific group of students.
5. The college administrative staff provides essential supports and guidance to students to timely apply for government scholarships. Students are notified of the government scholarships.
6. A special scholarship scheme is available at Kokrajhar Govt. College for deserving international students. Special initiative has been taken to support and provide free education to the students from neighbouring Asian countries. Alumni of the college provides financial support to these students through this scheme.
